

NOTICE OF VACANCY

(Internal/External Posting)

Date Of Posting: April 24, 2018
Job Title: **EI Reliability Analyst**
Final Day for Application: May 20, 2018

EI Reliability Engineer

An opening for a permanent full-time position exists on our ESI team. We are looking for a self-motivated individual with a strong technical back ground.

To qualify for this opening, the applicant must have a minimum of five (5) years' experience in a reliability engineering or mill maintenance position. They must hold a university degree in Electrical Engineering or an equivalent education. The preferred candidate will be an aggressive learner and work well within a team. Some weekend coverage will be required.

Qualified candidates are requested to forward their resumes complete with references by May 20, 2018 to:

Alberta Newsprint Company
Postal Bag 9000
Whitecourt, Alberta T7S 1P9
Personnel Services Coordinator

Fax: 780-778-7070
Email: career_esi@albertanewsprint.com

Alberta Newsprint thanks all applicants in advance; only candidates selected for an interview will be contacted.
