A permanent, full-time position exists in our Mechanical Maintenance team for an experienced **MILLWRIGHT / MACHINIST**. We are looking for a self-motivated individual who can work with minimal direct supervision.

The millwright or machinist position available is a paper machine roll rebuild specialist. In this position you will be responsible for rebuilding, balancing and grinding a wide variety of paper machine rolls. A full training program will be provided that includes both classroom and on the job training. Detailed record keeping and attention to detail are key attributes for this job. You will also be required to lead a small crew during shutdowns when roll rebuilds or roll replacements are performed. Experience in this type of work would be an asset.

To qualify, applicants must hold a journeyman millwright or machinist ticket through an accredited apprenticeship program, a Grade 12 diploma or equivalent and a valid driver's license. You must also possess a valid passport for travel to US for training purposes. The candidate must be willing to relocate to the Whitecourt area.

This position as a single ticket commences with an annual salary of **\$86,496.48** (\$42.82/hr.).

ANC maintains a unique team environment built by strong individually skilled employees. A competitive, fully company funded, benefits and pension package is provided. You will also be included in the company wide bonus plan.

Qualified candidates are requested to forward their resumes complete with references by **February 15, 2019** to:
